Guidance Notes on the use of The Request for Quotation Document

1. These guidance notes have been prepared by the CPTU to assist a Procuring Entity in the preparation of Quotation document, using the Standard Request for Quotation, SRFQ, for the procurement of low value simple Works and physical services. All concerned are advised to refer to the Public Procurement Rules, 2008 issued to supplement the Public Procurement Act, 2006; available on CPTU's website: <http://www.cptu.gov.bd/>. Notes and guidance are provided for both the Procuring Entity and the Quotationer.
2. The procurement under Request for Quotation Method (RFQM) shall follow the provisions pursuant to Rules 69 to 73 of the Public Procurement Rules, 2008 in accordance with Section 32 of the Public Procurement Act, 2006. SRFQ is based upon best national practices that have been adapted to suit the particular needs of procurement.
3. The use of SRFQ (PW1) applies when a Procuring Entity intends to select a Quotationer (a Contractor) for the Procurement of Works and physical services under RFQ Method (RFQM) pursuant to Rule 69(3) of the Public Procurement Rules, 2008.
4. Pursuant to Rule 71(1) and Rule 71(2) of the Public Procurement Rules, 2008, RFQ shall be invited through letter, Fax or e-mail. RFQ shall not be required to be advertised in the daily newspapers but for the minimum circulation the Procuring Entity shall publish that advertisement in its website (if any), including posting in the Notice Board and, shall send with request for publication to the administrative wing of some other Procuring Entities nearby.
5. Pursuant to Rule 71(3) of the Public Procurement Rules, 2008, RFQ Document shall be issued or made available to potential Quotationers 'free-of-cost'.
6. The time-limit for Request for Quotation shall in no case exceed ten (10) days pursuant to Rule 71 (4) of the Public Procurement Rules, 2008.
7. No Securities such as Quotation Security (i.e. the traditionally termed Earnest Money, Tender Security) and Performance Security shall be required pursuant to Rule 70(6) of the Public Procurement Rules, 2008.
8. Submission, Opening and Evaluation of the Quotations shall respectively be dealt with pursuant to Rule 72(1), Rule 72(2) and Rule 73(1) of the Public Procurement Rules, 2008 as specified in the RFQ.
9. The criteria for evaluation, pursuant to Rule 70(4) of the Public Procurement Rules, 2008, shall be pre-disclosed.
10. Pursuant to Rule 69 (5) of the Public Procurement Rules, 2008 the Quotation for low value simple Works and physical services shall be on the basis of either 'Unit-Rate' or 'Lump-sum' depending on the level of estimating the quantity of works. Such two different BoQ formats are attached with the RFQ Document. The Procuring Entity shall have the option to choose any one of these two BoQs, as appropriate, for a particular procurement.
11. Splitting the object of Procurement is not permissible pursuant to Rule 69(4) (ka) of the Public Procurement Rules, 2008.
12. The Procuring Entity shall invite the successful Quotationer to sign the contract, pursuant to Rule 73 (5) of the Public Procurement Rules, 2008, following recommendations of the Evaluation Committee and approval thereupon by the Approving Authority.
13. Provision of Retention Money (i.e. the traditionally termed Security Deposit) shall however be kept in Conditions of Contract pursuant to Rule 28 of the Public Procurement Rules, 2008.
14. The Defects Liability Period shall usually remain between 3 and 6 months.
15. The Procuring Entity shall further be required to maintain the record of procurement proceedings pursuant to Rule 43 of the Public Procurement Rules, 2008
